Medicare Prescription Drug Coverage

Thank you for talking with me recently about the change in your prescription drug coverage. Remember that on January 1, 2006 your prescriptions will be covered by a Medicare Prescription Drug Plan. Because you receive Medicaid, you have been enrolled in a Medicare Prescription Drug Plan. If you want to be in another plan, you can switch plans starting November 15.

You can use the enclosed Comparison Guide to help you choose a drug plan that meets your needs. You'll need to write down the names and other information of all the prescription drugs you take now. Ask your pharmacist or doctor if you need help to fill out the form.

So that we can help you compare the drug plans, please bring the completed Comparison Guide (or your prescriptions), your Medicare card, and the identification card for any other health insurance you may have when you *and your guest(s)* join us for information and *lunch/dinner* at:

*Brunet's Cajun Restaurant
135 S. Flannery Road
Baton Rouge, La. 70816*

on *Monday, November 28, 2005 at 5 pm*. **We will not be able to help you if you do not bring this important information with you.**

Please call me at *225/922-3127* if you have any questions or need additional information. I look forward to seeing you on *November 28*.

Sincerely,

Marsha Smith
